

Free registration instructions

When?

The period of free registration is from Friday, December 1 to Tuesday, December 19 (i.e. December 19 until midnight).

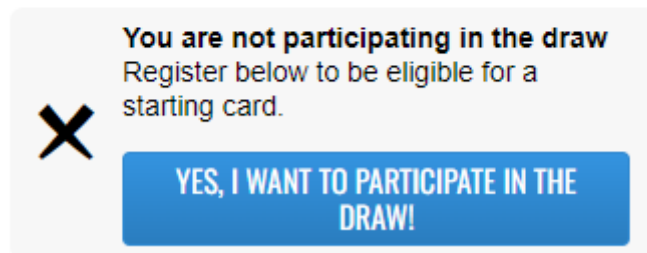

How do I register?

Each participant must register personally. The option for one person to order multiple tickets will no longer be possible!

During the period mentioned above, a 'free registration' button will be available on the website. When you then log in, you can indicate whether you want to participate in the draw process. You will then get the screen below:

OPEN REGISTRATION 2024

From **01/12/2023 to 19/12/2023** you can indicate below that you want to be eligible for a starting ticket during our open registration. From **20/12/2023** the starting cards will be raffled among all participants who have done so.

The image shows a registration screen with a grey background. On the left, there is a large black 'X' icon. To its right, the text reads: "You are not participating in the draw" in bold, followed by "Register below to be eligible for a starting card." Below this text is a blue button with white text that says "YES, I WANT TO PARTICIPATE IN THE DRAW!".

If you click on the blue button you will see the following image and you will therefore participate in the draw:

REGISTER TOGETHER?

If you want, you can register together with one or more other participants (maximum 9). **Attention!** You will be drawn in together, or drawn out together. Are you drawn in? Then, when you pay for your starting tickets, you will automatically receive starting tickets in the same starting group.

INVITE PARTICIPANT

Can I also register together with others?

Yes, that's possible. What is new is that during free registration you can indicate that you want to register together with others. You first register yourself. You can then invite someone else by email to register with you.

If the other person accepts the invitation, you will participate in the draw together. If you have been drawn, you will each purchase and pay for your ticket separately, but you will be placed in the same starting group.

How can I register together with someone else?

If you click the blue 'invite participant' button in the screen above, you will see the following screen:

If the person in question accepts the joint registration, the kite mark will change into a blue check mark

You can invite another participant with the blue button up to a maximum of 9.

What happens next?

Participants who have been selected will be notified as soon as possible after December 19. With that message the ordering process can be started, you can purchase a card and pay immediately. This is possible until midnight on January 8, 2024. If members of the group do not pay on time, they will be dropped from the group and will not receive a starting card.

During the payment process, there is a question as to whether the participant has taken note of the general terms and conditions and agrees to them. This question must be answered with 'yes'. The final step of the ordering process is the payment of the amount of € 28.00. Your participation in the tour is only final after payment.

What happens if I do not place an order and pay on time?

If you have not placed an order and paid for the card before January 8, your right to participate will lapse. Your registration will then be drawn among those who were eliminated in the first round of draw.

How do I know if the order was successful?

After the order has been completed you will receive a confirmation by email. When you then go back to your account, you will see that a barcode is linked to your order. This will later be printed on your personal stamp card.

Please note: you have not yet been assigned to a starting group. This only happens when the stamp cards are printed. The stamp card that you receive at home contains your address details, a card number, your starting group/start time and the barcode.

Do I need to do anything else?

No. The stamp card will be sent to everyone by post from May 1. If you receive the stamp card, you don't have to do anything anymore. Linking your barcode to your account is no longer necessary, because this has already been done with your order.

Can I still sell my stamp card for the Eleven Cities Cycling Tour?

Yes, that's possible. In the period from February 1 to April 1, you can transfer your card to someone else. See transferring card for more information. After this period you can no longer transfer the card to someone else.
